

DAISY Award for Extraordinary Nurses

Each DAISY Award Honoree will be recognized at a public ceremony in her/his unit and will receive: a signed certificate, a DAISY Award pin, a beautiful stone sculpture (hand carved in Zimbabwe) entitled 'A Healer's Touch'. Additionally, she/he will receive a delicious fresh-baked cinnamon roll—a favorite and one of the few foods Patrick enjoyed during his illness.

The Barnes Family asks that whenever and where nurses smell that wonderful cinnamon aroma, they stop for a moment and think about how special they are.

Aspirus volunteers will select individuals to win the prestigious DAISY award.

Each recipient will be recognized at a celebration in his/her department & will receive a certificate and keepsake.

Tell Us Your Experience...

The DAISY Foundation was established by the family of J. Patrick Barnes after he died from complications of the autoimmune disease ITP in 1999.

During his hospitalization, the family deeply appreciated the care and compassion shown to Patrick, and his entire family. When he died, they felt compelled to say “Thank You” to nurses in a very public way.

Please say thank you by sharing your story of how a nurse made a difference you will never forget!
