Providers listed above are not obligated to participate in Aspirus' financial assistance program and patients may incur a self-pay balance owed to a non-participating provider. Patients may inquire directly with such non-participating providers to determine if such provider has its own financial assistance policy. This is a fluid list that is subject to change. For questions about whether a provider is a participating provider or not, call 866.972.1774 to speak with a Financial Counselor.
