To refer a patient, call our Rehab Referral Coordinator 715.847.2000, ext. 53400.

Our Mission

We provide a safe, positive environment where individuals who have been disabled by illness or injury can enable themselves to reach their potential, accept responsibility for their lives, and live a lifestyle acceptable to them.

We Are Dedicated to Excellence

Persist...Achieve...Inspire

Serving Our Patients

A firm commitment is made to involve our patients and family in their plan of care. Clear goals are established to challenge and motivate patients to assist them in improving their level of independence.

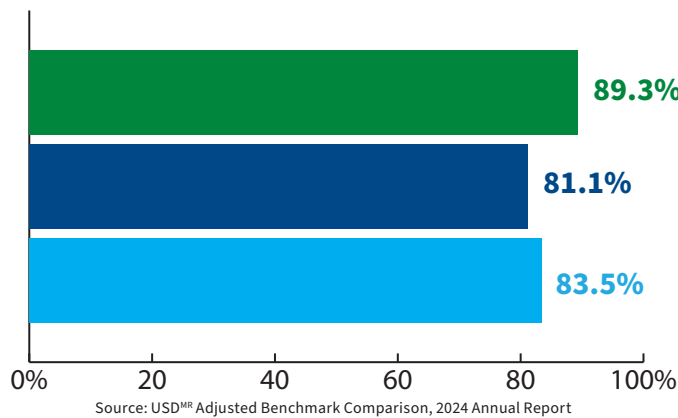

- **Average Age** = 63
- **Gender** = Male 69% Female 31%
- **Average Therapy Hours** = 18.9 hours/7 days (Required is 15 hours/7 days)
