

# MyAspirus

## Mobile App Guide

Make appointments with ease

View test results (current and prior)

Request prescription renewal

Stay in touch with your provider

Pay or view your bill

Start a video visit or e-visit

### Accessing the MyAspirus App

1. If you do not have an established MyAspirus account, please create one by visiting [myaspirus.org](https://myaspirus.org). (You do not need an activation code, though you may use the one from your Aspirus Clinic.)
2. Search for the **MyAspirus** app from the Google Play Store or the Apple App Store.
3. Download the **MyAspirus** app.
4. Create a MyAspirus username and password.

The screenshot shows a login and sign-up form. At the top, there are two input fields: 'MyAspirus Username' and 'Password'. Below these is a green 'Sign in' button. Under the 'Sign in' button are two links: 'Forgot Username?' and 'Forgot Password?'. Below these links is a 'New User?' section with two buttons: 'Sign Up With Activation Code' and 'Sign Up Without Activation Code'.
