

Wound Care Solutions

A comprehensive approach for effective healing.

Community members dealing with persistent wounds or those interested in learning more about wound care are encouraged to attend this free program hosted by Aspirus Medford Clinic.

Featured presenter Haley Erl, DNP, CWCN-AP, will provide valuable insights into wound management, treatment options, and the collaborative efforts required to promote healing.

Aspirus Medford Clinic provides advanced care for a variety of wounds, including infected wounds, arterial ulcers, venous stasis ulcerations, traumatic injuries, and pressure injuries.

Tuesday, March 4, 2025 | 6:00 p.m.

Aspirus Medford Hospital | Community Education Room | 135 S. Gibson Street, Medford, WI
