Position Manager

Managers - LEC Request Process

Select Template:

The “template” in Position Manager 11 is the position they are requesting.

The positions listed in Position Manager 11, flow over from GHR. All active positions in GHR will appear under the department. It is important for managers to select the accurate position, as this is the position that candidates will be hired into when an offer is accepted.

Positions that do not exist in GHR are unable to be requested through PM 11. Managers will have to work with their HRBPs to create a new position, before requesting. New positions will be updated daily by 5pm from GHR to PM.
