

Have a current certification?

Completed Through Aspirus after 8/1/2021

- Do not need to submit documentation for that specific certification.

Completed Through Ascension Prior to 8/1/2021

- If you have a current certification and are having issues locating that card, please refer to the below:
 - If you completed through RQI Partners, please contact RQI customer service at HC.Support@rqipartners.com or 1 (800) 594-9935 or <http://www.laerdal.com/certificate/certificate.aspx> and follow the prompts to claim your card.

Certificate Site
For HeartCode, RQI, Heartsaver and Learn

First time users

If this is the first time you have claimed a certificate, please click **"Register now"** to create a new account and claim your certificate.

Verify certificate

If you are an instructor and want to verify a certificate, click [here](#).

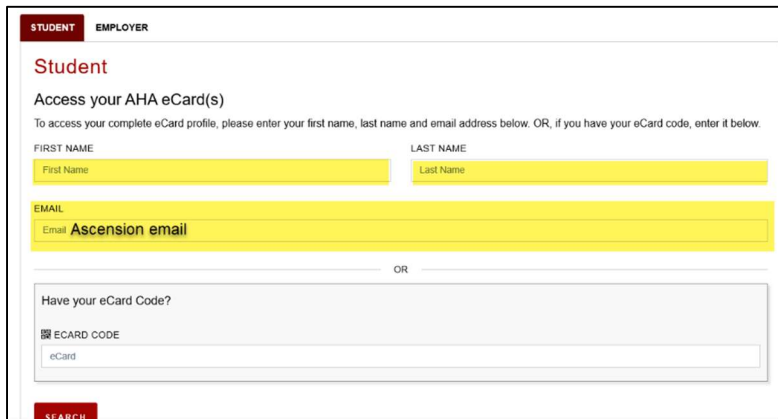

Returning users

If you already have an account, please verify your e-mail, enter your password and click 'Login'.

Submitting Certifications

Completed outside of the Ascension Network?

If you completed outside of Ascension, contact the Training Center you completed at for documentation.

Unable to find a current certification?

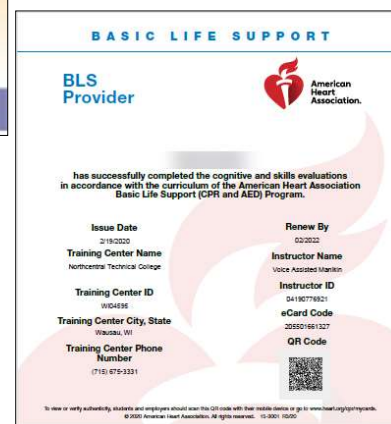

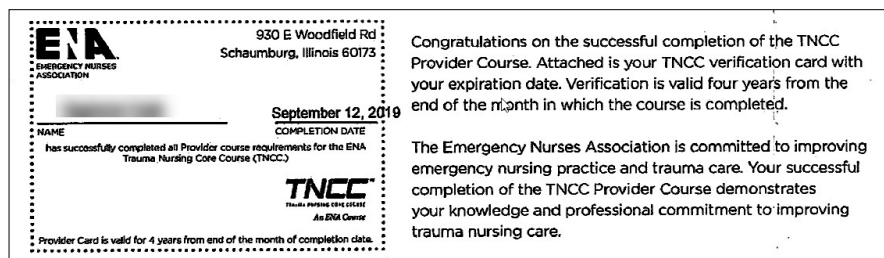

If you are unable to locate proper documentation of the certifications for your staff, those individuals will be assigned the learning module in HealthStream on October 8, 2021, and given until the following dates:

- BLS: December 31, 2021
- ACLS: March 30, 2022
- PALS: March 30, 2022

The completion of NRP and TNCC requires an in-person component and training plans will be communicated in the future.

- NRP: June 30, 2022
- TNCC: December 31, 2022

Examples of acceptable cards:

***Please email all resuscitation cards to Resuscitation-AspirusInc@aspirus.org by September 30th, 2021 for proper documentation.
