> Delivery Summary is where you will Document Labor Events and Delivery information, Pend a baby and Admit a baby.

1) Find your patient on the **L&D Grease Board under the Labor and Delivery Tab.**
   Note: To Pend a baby, the Mothers L&D Status needs to be admitted.
   a) **Check the Mothers L&D status, if it says Assessment you will need to Admit the Mother.**
      i) Highlight the Mother name by **clicking on her name once**.
      ii) **Right click,** click **Admitted**
      iii) **After Epic refreshes, she will move to the top of the L&D Greaseboard and will be highlighted green.**
2) **Double click to enter her chart.**
3) **If a BPA fires, look at it. Ask yourself do I need to address this now or later.**
   a) **If a BPA fires, dismiss for now.**
4) Click the **Delivery Summary Activity.**
> **Pend a Baby** – After the Mother's water breaks or if you know for sure you will be keeping the mother and she will be delivering; you will Pend the baby.
>
> For a C-section delivery, **pend the baby before you transfer the Mother to the C-Section room for Delivery.**
> Follow the steps below to Pend a baby.

1) Click **New baby.**
   a. Sex: Click on the **magnifying glass** and choose **Unknown.**
   b. Click **Accept.**
   c. Click **Admit** (you are only pending the baby right now).

2) New baby Wizard.

      ii. Newborn Admission
      1. Admitting provider : **Mary Jo Wendling**
   c. Click **Pending**
      i. Notice now you have a **Pending Baby tab** in the **Delivery Summary. A**dditional sections for documentation have been added.
> Some Labor information will flow into the Delivery Summary when you document in the navigators and flowsheets. The stages of labor will calculate automatically once you sign the Delivery Summary.
>
> To get to the next section in the Delivery Summary, click the word **Next** in the right lower corner of the section or click on the **next title** in the **table of contents**. You may also click in the **title of the next section** to open it.

The first nine items on the Delivery Summary are listed below. Notice they are all in **capital letters**. These items are for **Nursing to document**. The **last 4 sections**, in mixed case, are for the **Provider to document**.

Review this section and fill it in on your own.

1) **LABOR EVENTS** – Some items will fill in documentation from the Navigators and flowsheets. You will notice these boxes are greyed out. (Examples: Labor and Rupture information)
   a. Reminder to select the proper **Rupture identifier**.
2) **NEWBORN DELIVERY**
3) **SKIN TO SKIN:**
   a. Skin to skin initiation date/time: **document the date and time that infant is placed skin to skin.**
   b. Skin to skin with: **select with whom the infant is placed skin to skin**.

    c. Skin to skin end date/time: **document the time that skin to skin contact is concluded.** **This time should include while the baby was breastfeeding. Skin to Skin initiation + Breastfeeding initiated + Skin to Skin after Breastfeeding = Skin to Skin end date/time**.

    d. Reason skin to skin not initiated: **select a reason why if** appropriate.

    e. Breastfeeding initiated date/time: **document the date/time that breastfeeding began**.

2. **Choose the same room that Mom is in**.
3. Click **Accept**.
4. Click **Admit**.

> When the Delivery Summary is completed remember to sign. This will require you to enter in your password for authentication. If you get busy, you can sign it later.
>
> If the Delivery Summary is not signed within 3 hours of delivery you will get a BPA reminding you to sign it.
>
> Signing the Delivery Summary is IMPORTANT! It marks the mother as delivered (no longer pregnant), causes the information about the delivery and pregnancy to properly populate the OB history. It also changes the Mother's Story Board to Labor and Delivery to Postpartum to display different information.

2) **Sign** the Delivery Summary, by clicking **Mark as Delivered**.
3) Password: **logins**

Notice after you sign the Delivery Summary it displays in a report format.

If after you sign the Delivery Summary you realize that you need to change or add information, click **Start Addendum**. This reopens the Delivery Summary to allow you to make changes.

This completes your **Delivery Summary** Guided Practice Session. This is not all inclusive of a typical workflow.
